DEDICATED TO BLUE CREEK LOCAL SCHOOL

The side entrance.

We would like to dedicate this year's Galaxy to Blue Creek Local School. It is here we received our beginning in education, and for 12 years learned to love it for more than just a school.

It is here we learned more than what was in our textbooks. We learned how to accept responsibilities and get along with each other. For this we would like to say "Thank you".

And, "Good-bye!"
